ESTABLISHMENT REQUIREMENTS

ESTABLISHMENT INFORMATION

Salon/Barber Shop Requirements

Before an establishment may open for business, the following facility requirements must be met to ensure that customer and employee health and safety standards, as well as statutes mentioned in the Barbering and Cosmetology Act and the Board's Rules and Regulations, are met.

The following facility requirements must be met before an establishment may open:

- Water supply: at least one sink with hot and cold running water shall be provided in each work area or workroom. (995b)
- Drinking water: drinking water shall be available to patrons and employees.
 Individual paper cups shall be provided or a sanitary drinking fountain installed.
- Hand washing facilities: every establishment shall provide adequate and convenient hand washing facilities, including running water, soap and approved sanitary towels. (7352)
- Toilet facilities: every establishment shall provide at least one public toilet room, located on or near the premises, for its patrons. Any toilet room installed on or after July 1, 1992, shall be not less than 18 square feet in area. The entrance to the room shall be effectively screened so that no toilet compartment is visible from any workroom. The room shall be kept in a clean condition and in good repair, well lighted and ventilated to the outside air, and effectively screened against insects and free from rodents. The floor shall be of concrete, tile laid in cement, vitrified brick, or other nonabsorbent material. All sewer drains shall be connected to an approved disposal system, and shall be properly trapped. No restroom shall be used for storage. (7351)

An establishment shall have a direct entrance, separate and distinct from any entrance in connection with private quarters.(7350)

- At least one covered waste receptacle for the disposal of hair.(978a)
- Closed receptacles to hold all soiled towels, gowns and sheets in public areas. (978)
- Closed cabinets to hold all clean towels.
- Container(s) for disinfectant for instruments and equipment to be disinfected.(978)
- Cleanliness and Repair: Floors, walls, woodwork, ceilings, furniture, furnishings and fixtures shall be kept clean and in good repair. (994)

Requirements for a Home Salon (7350)

- An establishment shall have a direct entrance, separate and distinct from any entrance in connection with private quarters.
- No person having charge of an establishment, whether as an owner or an employee, shall permit any room or part thereof in which any occupation regulated under this chapter is conducted or practiced to be used for residential purposes or for any other purpose that would tend to make the room unsanitary, unhealthy, or unsafe, or endanger the health and safety of the consuming public.

NOTE: It is your responsibility to check with the city and county in which your business is located to be sure that your business may be located in a residential area. **NOTE:** Check with the city or county in your area to be sure your business can be located in a residential area.

Please refer to Sections 7346 through 7353 of the Barbering and Cosmetology Act and Sections 978 through 995 of the Rules and Regulations for complete and specific facility requirements for establishments.

Inspection of Your Establishment

Within 90 days after issuance of the establishment license, you may be inspected for compliance with all applicable requirements. (7353)

To assure compliance with the laws and regulations governing the operation of establishments, the Board's authorized representatives shall have access to the premises of any establishment, at any time that the practice of barbering, cosmetology or electrology is being conducted.(7313a)

Refusal to permit, or interference with, an inspection constitutes a cause for disciplinary action. [7404(1)]

Services Performed Outside of a Licensed Establishment

The Barbering and Cosmetology Act does allow the practice of barbering or cosmetology outside of a licensed establishment when provided to persons who are ill or otherwise physically incapacitated, as long as the services are performed by a licensee obtained for the purpose from a licensed establishment (7318).

An itinerary of your services performed should be kept at the establishment from which you work. This will not only serve as proof that you are practicing in accordance with Section 7318, but will allow the Board the opportunity to inspect your services just as it does the services of licensees in fixed-location establishments. You must meet and follow all applicable health and safety regulations while performing services for the incapacitated. You must also take your license with you on all jobs.
